MATHA EDUCATIONAL TRUST-VELLORE- 632 006

(MATHA SKILL DEVELOPMENT CENTRE)

ANNUAL REPORT FOR 2016-2017.

Matha Educational Trust registered at the month of February 2001 at Katpadi registered office under trust. Its main vision is to,

- ❖ Develop the undeveloped grass root people through training.
- ❖ Empower the illiterate to literate.
- ❖ To improve the social economical status of under poverty line people.

After its 16th years great service Matha stepped into a 17th year of service in this 2016-2017. Now we have mainly concentrated on women development and to create a woman Entrepreneurs. To identify the place correct target group in most rural and remote areas and give proper motivation to hit our goal. As we know the changing the society is not that much of easiest process. So just we have strength to change a little, and lead our life somewhat meaningful. We develop their skills by stimulating their minds and identity their ability and train them by means of skill development programs. As our action alight with our passions and purpose, wonderful things begin to happen. We train up and teach them to the moral for the day by day peaceful life for their betterment.

We care the people with a random act of kindness, with no expectation of reward and train them to shine as a successful entrepreneur. The glory of success continues for the social and economical development with temple of mind during 2016 -2017.

ACTIVITIES – IMPLEMENTATION AND ACHEIVEMENT 2016-2017

1. SHARON WOMEN'S HOSTEL:

Sharon women's hostel is a main root of growing MATHA EDUCATIONAL TRUST. Though the hostel is small, the women those who are far from away from their home, and got work at Vellore or surrounding areas, they stayed her and feeling very comfortable. The tender caring, who feel them to they stay at their home. Due to some practical problem this was shifted along with the training centre to 22, 22nd east cross road, Gandhi

Nagar. It's a great blessing to us have a huge building, and we are planning to have all our institution training programmes also may conduct this building in future.

COMMUNITY COLLEGE –ALLIED HEALTH ASSISTANT COURSE (BSS):-

We are conducting course under B.S.S Chennai region. This is started only for the poor candidates, those who can't continue their further studies at college level because of their poor economic circumstances. Here this course was so valuable and course completed candidates are most wanted by many hospitals. According to our syllabus the 1st six months we give thorough theoretical knowledge at our training centre, then another six month we are sending them to the hospitals either Madras or Bangalore for getting practical experience. During this practical period, sum of the amount will be given to them as a stipend, which was most useful for them to pay their tuition fee from their self earning, without disturbing their parents. During 2016-2017, we have trained 10 candidates in 1st year and 15 candidates in 2nd year.

MATHA SKILL DEVELOPMENT CENTRE – VELLORE.

BSS Community College Activities:

1. We celebrated Independence Day on 15th of August 2016.
2. Teacher's day celebration was celebrated on 6th of September to honor all the staff by the students. During this celebration our students remained, themselves how the teacher's day started at first and Mr. Dr. RadhaKrishnan history, his simple life etc, through their speech, drama and other cultural programmes.
3. In the day of Saraswathi Pooja, they have celebrated a great pooja for the God of Education Saraswathi. They shared their happiness, with distributed by sweets and fruits.
4. A grant 'X' Mas and New Year celebration was celebrated by the students in grand manner.
5. In Tamil Nadu the traditional festival is Pongal. It's also known as the Tamil 1st month as an Uzhavar Thirunal; here Pongal celebration was celebrated by the students along with other trainees on 14th Jan 2017 at our institute premises.
