ANNUAL REPORT FOR 2018--2019

INTRODUCTION:

All great and mighty things have a humble beginning. Likewise Matha Educational Trust is a Non-Governmental Organization which was planted in the year 2001, for the upliftment of economically backward people as a small scale but now undoubtedly it is a mighty tree with innumerable branches. It serves the society by providing various skill trainings to improve the social and economic status of the well-being of the people. The organization also focuses on the development of uneducated youth and women by providing various motivational programmes and employment opportunities with a proper training. It emphasizes on the eradication of poverty and unemployment in rural areas by encouraging the rural people to become an entrepreneur at a small/micro level enterprises. Along with training, we also teach them certain morals and values, how to become economically independent and how to tackle their real-life problems in the society.

MAJOR OBJECTIVES OF OUR ORGANIZATION:

- To provide basic education to the uneducated people.
- To focus youth and women empowerment through proper training and education.
- To create awareness among children, pregnant and lactating women.
- To improve the status (social and economical) of poor people through self-employment.
- To provide employment opportunities through technical and vocational training.
- To motivate the women entrepreneurs through Women Self -Help Groups.
- To carry out the cluster development activities.

VISION OF OUR ORGANIZATION:

The following are the key areas in which our organization focuses on are as follows:

- Development of socially backward (SC/ST) women.
- Eradication of poverty through economic development.
- To make people economically independent through educational training.
- Skill assessment and providing proper training that is needed.
